Letter of Reference for Jason Robinson

Jason Robinson has been on the staff of the American International School in Egypt for two years. I have been his immediate supervisor for both years. I recommend him as a strong teacher candidate for your school both at the elementary and middle school levels.

Mr. Robinson brought successful teaching experience with him when he came to this assignment. The first year on our staff he taught Grade Five and this year he teaches in a Sixth Grade team teaching situation. He teaches Language Arts to all of our Grade Six students. His dedication to teaching has made him successful in both assignments.

Mr. Robinson is always prepared, brings a solid knowledge base to his teaching, and sets high standards for his students. He works well with students, helping them reach the standard he sets. They respect him and work hard to reach that standard, also.

Mr. Robinson keeps close contact with parents and does not hesitate to call or suggest a conference if he feels it is needed. His record keeping is excellent and he keeps students aware of their progress. In special circumstances of needy students, he is willing to give extra time and effort to help the child be successful.

He willingly participates in all activities of the school, staff development, faculty meetings and committees. He offers suggestions to make this a better school. He is a supporter of the school program and volunteers above and beyond his assignment when needed.

He makes teaching and learning enjoyable and sets a good example for other staff members. He is professional in every way such as speech, dress, preparation, willingness and positive attitude.

He has been a wonderful staff member and I recommend him without reservation for your staff.

Sincerely,

Mary Etta Brown, Ed.D.
Principal
