

# What is it like to work with Jason in a team setting?

What is it like working with Jason in a team setting?

I am lucky to have had the opportunity to work with Jason for the past two school years. It is refreshing to collaborate with such a strong team player and now dear friend. Let me share with you why I so enjoy and value working with Jason.

Jason is ...

organized	efficient	responsible
considerate	caring	trustworthy
enthusiastic	inspirational	committed
		calming
		motivated

100% dedicated to his students!

What is it like to work with Jason in a team setting?

WORKING WITH JASON IS FANTASTIC! HE IS VERY WELL ORGANIZED AND VERY WELL PREPARED. HE IS FLEXIBLE AND EASY TO GET ALONG WITH. JASON IS A PROBLEM SOLVER AND HE AMAZES ME WITH HIS ABILITY TO "GET THINGS DONE." I HAVEN'T TEAMED WITH A HARDER WORKER IN MY 12 YRS OF TEACHING. I WISH HE WASN'T LEAVING AND I'D DEFINITELY WELCOME THE CHANCE TO WORK WITH HIM AGAIN!

What is it like to work with Jason in a team setting?

Jason is the consummate team player. His ability to determine when it's necessary to lead or follow may be his greatest strength. I can say, without a doubt, that any team would benefit from this outstanding individual.
